FEATURES

New Generation DOHC 6-Speed Engine

An innovative engine from Honda that brings power and fuel efficiency together for a fast and exhilarating ride.

Dual Layer LED Headlight

Illuminate the road with an edgy LED headlight design.

Full Digital Meter Panel

Monitor every aspect of your riding with an easy-to-read display system.

Tubeless Tires & Disc Brakes

Feel confident with wider tubeless tires and bigger disc brakes that provide better traction, stopping power, and stability.

Tail Light & Separated Rear Winker

Be more visible and secure on the road with separated signal lights on your rear.

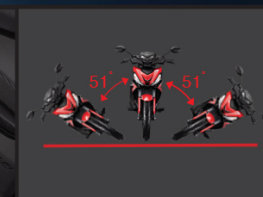

Aggressive Decals

Make a statement with bold graphic decal designs and colors.

Pillion Step

Back ride in style with an integrated pillion step.

Bank Angle Sensor

A built-in safety feature that automatically turns off the engine when your bank angle exceeds 51° on either side.

Liquid-Cooled with Auto Fan

Maintain consistent engine temperature even at high speeds with an advanced radiator with auto fan.

Sporty Undercowl

Accelerate with reduced air drag with added aerodynamic features.

Big Front Suspension

Move with comfort and stability with a bigger and more durable front suspension that effectively absorbs shocks on the road.

Aerodynamic Body Design

Go faster with a body that is sculpted to slice through the air.

Sporty Muffler

Move with better aerodynamics with an angled sporty muffler.
